

A Note From Pastor Jeremy

2016 is going to be a remarkable year for adult Sunday School at Pleasant Valley Community Church and we couldn't be more excited about the course offerings!

This year we are aiming to take a Head, Heart and Hands approach to the classes covering a wide range of subjects that are both theological and practical in hopes of making us a family of well-rounded followers of Jesus.

Start the new year by attending Sunday School! The first class starts on January 7th (led by Pastor Woody) at 10am in the Marriage and Family Resource Center.

There are classes for all ages during the Sunday School hour. I hope you'll make plans to make Sunday School part of your Sundays in 2016. See ya there!

Gospel Life Plan

January 10 and 17

In our busy and hectic lives, our priorities as Christians so often get snuffed out.

This two week class will give you the tools to evaluate and plan for intentional living in four areas of life: Personal, Home and Family, Work, and Community.

Taught by Pastor Woody.

Christian Beliefs: Part One

Jan. 24- Feb. 21

In this introductory class we will examine five basic doctrines of the Christian faith that every follower of Christ should understand. We'll explore topics like how to read the Bible, the attributes of God, the Trinity, and others, using the book *Christian Beliefs* by Wayne Grudem as our guide.

Taught by Pastor Jeremy, Pastor Caleb, and Andy Norris.

Gospel-Centered Parenting

April 3- April 30

Parenting in the 21st century can be complicated and confusing, but thankfully the Gospel helps us navigate these challenging waters.

Join us for this 5-week class exploring the implications of the Gospel on parenting and how we can lead and disciple our children well as they grow and mature into followers of Christ.

Taught by Pastor Jeremy and other leaders.

Gospel Fluency

May 1- May 29

The Gospel is not just something we accepted at a point in our past, but is central to our present lives as Christians. It has everyday implications for our lives and the lives of those around us. This Gospel Fluency series helps Christians speak the Gospel message, its benefits, and its core truths first to themselves as well as speaking it in meaningful ways to those God has placed in their lives.

Taught by Pastor Woody and other leaders.

Christian Beliefs: Part Two

July 3- July 31

In this introductory class we will examine five more basic doctrines of the Christian faith that every follower of Christ should understand. We'll explore topics like angels and demons, sin, the work of Christ, and others, using the book *Christian Beliefs* by Wayne Grudem as our guide.

Taught by Pastor Jeremy and other leaders.

Discipleship and Evangelism

August 7- August 28

Whether we are reaching our children, neighbors, co-workers, or going on a foreign mission trip we are called to make disciples of Jesus Christ. This class offers a practical approach to disciple-making while at the same time establishing a deep, biblical foundation for it. You will leave equipped to help others follow Christ.

Taught by Pastor Brandon and Pastor Woody.

Politics According to the Bible

October 2- October 30

Is the War on Terror a "just" war? Should the government encourage homosexual relationships? Do politics interfere with the Gospel?

This class will address many pressing questions like these and explore the appropriate Christian response and duty to the biggest controversies of our day, serving as a great resource for understanding modern political issues in light of Scripture.

Taught by Jordan Tong and other leaders.

Counseling, Grief, and Emotions

November 6- November 20

In a hurting and broken world we need to be comforted and brought near to Christ while at the same time being equipped to take other broken people to him as well, both lost and saved. This class will offer insights, truths, and practical tools to meet people where they are in their struggles and share with them the hope found in Christ.

Taught by Pastor Caleb.
